ABOUT US

We are a Zimbabwean firm of accountants and business advisors aiming to improve the financial outlook of our clients and community. We always make a strong commitment to our clients, and have a vested interest in their success.

With our technical expertise and the knowledge of our professional and experienced accountants, we develop and constantly improve our working methods and internal procedures so as to achieve our main goal: providing the most comprehensive and efficient services tailored to the needs of our clients.

Our strength as TSM Advisory Services is our people, whose skill, knowledge and integrity keep us in the forefront in our industry.

WHY TSM?

Our distinguishing feature is that we are a service driven advisory firm and we strive at all times to be a one-stop shop for our clients' accounting, tax and business advisory requirements.

OUR VISION

We aim to be the service provider of choice in Accounting, Taxation and Secretarial Services in the Zimbabwean Market. To achieve this, we aim to champion the needs of the market in the application of consistent international financial reporting standards, promoting the value of sustainable business, which we believe best supports local business and meets the local regulation standards.

OUR SERVICES

ADVISORY

Today's economic environment remains uncertain. As your company or organisation continues to seek growth in developing and rapid growth markets, challenges clearly remain. It becomes more important than ever to continue keeping a close eye on business costs and carefully manage cash flow.

As a company, organisation or business leader, you face important strategic decisions everyday, in an increasingly complex and rapidly changing business.

To ensure business success, it helps to have the advice and assistance of someone with proven expertise, experience, and an external business perspective.

OUR SERVICES

As your business grows, it is impossible for one person to keep the same level of control over it. Unfortunately, you cannot do everything and be everywhere at once, but it becomes more important than ever to ensure that your monthly financial books are properly and timeously processed.

Having accurate and up to date accounting records forms the basis for preparing accurate monthly management reports that are necessary for the proper managing and control of your business. Having accurate accounting records will also assist with your annual financial statements.

Our accounting services include

- Processing and record keeping of financial transactions;
- Comprehensive accounting function from preparation of accounting records from source documentation through to trial balances and financial statements;
- Monthly maintenance and processing of financial records and transactions including: bank reconciliations, general ledger maintenance and preparation of management accounts;
- Assisting clients with VAT and PAYE calculations. Providing advice on the structuring of salary packages as well as compliance to the VAT Act;
- Preparation of budgets and monthly management accounts.

OUR SERVICES

Tax planning with regards to personal tax, corporate tax, Value Added Tax, PAYE, donations tax and Capital Gains Tax all require careful consideration. Whether you are an individual taxpayer, corporate, or trust, it is essential that your financial affairs are managed in a way that is both tax effective and compliant with the law.

At TSM Advisory Services, our tax specialists will help you navigate through the increasingly complex tax environment. We provide a complete in-house service covering a wide range of tax matters.

Our tax specialists offer the following bespoke tax services:

- Tax Advisory
- Tax Compliance
- Trusts & Estates
- Indirect Taxes
- International Tax
- Mining Tax

OUR MARKET

We serve sole trader, private and public companies. Our dedicated staff will meet your needs and provide professional service regardless of the size of your business. We are aware that all businesses are different and each has distinct financial budgets.

Our fees are therefore customised and structures in a way that ensures affordability without compromising quality.

Our services are tailor made to meet the needs of our clients in various industries such as mining, construction, manufacturing, retail, tourism and hospitality, practice firms, financial services, government departments, municipalities, schools, religious organisations and non-governmental organisations.

OUR AFFILIATIONS

Our affiliation to the Institute of Chartered Accountants Zimbabwe (ICAZ) keeps us on the leading edge of professional accountancy as we benefit from the continuous professional developments and regular updates to the regulatory framework.
